

FOOD DISTRIBUTION RESEARCH SOCIETY HANDBOOK

Revised June 7th, 2021

INCORPORATION

The Food Distribution Research Society (FDRS) is a non-profit education organization that was officially incorporated under the laws of the State of Maryland, on February 20, 1970.

PURPOSE

The overall goal of the Society is to facilitate leading-edge information in applied research and education in the food distribution field. Major foci are retail and wholesale distribution and the flow of products and services through these firms and institutions. Related areas of interest are patterns of consumption, impacts of technology on processing and manufacturing, packaging and transport, data and information systems in the food and agricultural industry, market development, and international trade policies related to food products and agricultural commodities.

Specifically, the Society seeks to:

1. Provide a forum for exchange of ideas and information, and to act as a clearing house for food distribution research and education.
2. Encourage applied research, assist with problem definition, provide coordination, foster implementation of results, and assure feedback between researchers and users of results.
3. Assist with food industry education and training, as well as implementation of new ideas and concepts.
4. Provide for professional development, advancement, and recognition in the food distribution field.
5. We commit to creating, supporting and maintaining a diverse, equitable and inclusive environment, where all members are encouraged and provided with opportunities to participate, and where their perspectives and contributions are respected and valued. We view diversity holistically and consider how members' perspectives and professional experiences may be influenced by characteristics including (but not limited to) their age; gender, sexual orientation; ethnicity, race, culture; differences in ability; immigration status, nationality, national origin; education; socio-economic status; military/veteran status; and religious/non-religious beliefs. To this end, we will:
 - Actively seek diverse and inclusive representation in our leadership and membership
 - Engage with diverse groups of stakeholders in academia, industry and government and facilitate constructive dialogue to support our Society's mission
 - Provide and support inclusive programming initiatives for our members
 - Maintain high standards for transparency and ethics for our Society.

BY-LAWS

ORGANIZATION

The organization is comprised by elected officers, appointed officers, directors, and committees.

GOVERNING BOARD OF THE ORGANIZATION

The purpose of the Board is to establish the overall policy, approve the budget, and be responsible for the handling of any special funds maintained by the Society. It can remove any officer or director for cause by majority vote. It is expected that the Board shall hold three to four meetings per year: January, May, August (if necessary), and September-October (prior to the conference). The Chair of the Board is the current President. In addition, members are the: President-Elect, immediate Past-President, Secretary/Treasurer, and Vice Presidents.

ELECTED BOARD MEMBERS

Immediate Past-President, one-year term; President, one-year term; President-Elect, one-year terms; and Secretary/Treasurer, 3-year term. Elections are held at the Fall Annual Business Meeting of the membership of the Society, though exceptions can be granted to maintain the ability of the board to function properly.

APPOINTED BOARD MEMBERS

The President appoints the following Executive Board Members: Vice President for Research, Vice President for Education, Vice President for Communications, Vice President for Membership, Vice President for the Richardson-Applebaum Scholarship Award Fund, Vice President for Logistics and Outreach, and Vice President for Student Programs.

TERMS OF OFFICE

Terms of office begin after the election, which is normally at the end of the Annual Business Meeting and run for the designated term. When a Board member is determined to be unable to fill his/her elected or appointed term, the President is authorized to make an interim appointment (which shall be in effect until the next Annual Business Meeting) after obtaining concurrence from a majority of the Board.

DIRECTORS

The Director's roles serve as a catalyst to recruit and onboard eager society members to Board activities and identify future candidates for Vice President roles. The board experience provides an opportunity for Directors to gain hands-on exposure to the various FDRS leadership roles and service needs. At the annual conference Directors will serve as student marketing competition judges and provide assistance to the Vice President for Logistics and Outreach and

President during the conference. One new director will be appointed each year as the 1st year director and move through the Director roles. Directors serve a 3-year term.

COMMITTEES

EXECUTIVE COMMITTEE

The Executive Committee carries out the day-to-day operations of the Society in line with the stated purposes. Its members include the President (as chair), the Past-President, the President-Elect, and the Secretary/Treasurer.

NOMINATING COMMITTEE

The Nominating Committee nominates the President-Elect, Secretary/Treasurer, the Vice President for Government Relations and the Vice-President for Industry Relations, and candidates to fill vacancies on the Board, as necessary. (See Elections.) The Nominating Committee is chaired by the immediate Past-President and includes the three most recent past presidents. The Nominating Committee shall submit the slate of candidates to the Board of Directors at the Annual Conference.

FINANCE COMMITTEE

This committee is responsible for overseeing and managing the investments in the Richardson-Applebaum Scholarship Award Fund. The Finance Committee is chaired by the Vice President for the Richardson-Applebaum Scholarship Award Fund. Members include the Secretary/Treasurer, the immediate Past-President, and the three most recent past presidents.

SCHOLARSHIP AWARD COMMITTEE

This committee is chaired by the Vice-President for Education. Members include the Vice-President for Richardson-Applebaum Scholarship Award Fund and the Vice-President for Research.

The Doug Richardson and William Applebaum Memorial Scholarship is awarded annually for outstanding graduate student research in food distribution and marketing. This scholarship fund is named after William Applebaum, Chief of Staff, Market Research Division: The Kroger Grocery and Baking Company; Assistant General Manager, Stop & Shop, Inc; and Lecturer on Food Distribution and Comparative Marketing, Graduate School of Business Administration, Harvard University. During his lifetime "Bill" Applebaum continually challenged the FDRS to seek improvements in the food industry. As a founder and supporter of FDRS, Bill allowed the society to name its scholarship fund after him, and he gave a substantial contribution. The first

scholarship was given in 1978, and while Bill did not live to see it presented, his example and leadership have caused other industry leaders to contribute to this tax-deductible fund.

In 2013, the Society voted to add Douglas “Doug” Richardson’s name to the scholarship awards, in recognition of his outstanding leadership, dedication to student achievements, and long-term contributions of his time and resources to the financial well-being of the Society. Doug Richardson was one of the founding members of FDRS, serving as president in 1985 and VP of Membership from 1980 to 1983. Since 1985, Doug served in the role of VP Applebaum, managing FDRS investments for more than 30 years. Under Doug’s watchful eye, he grew the organization’s investments from \$9,000 to its current value of nearly \$400,000.

Contributions may be made directly to the Food Distribution Research Society. Contributed funds are invested, and a scholarship is given each year to an outstanding college student from the proceeds. Originally, \$500.00 awards were made. In 1983, the award was increased to \$750, and in 1987 the amount increased to \$1,000. Since 1988, two awards have been offered: one for \$1,000 at the Ph.D. degree level and one for \$500 at the M.S. degree level. In 1998 these awards were increased to \$1,250 for Ph.D. dissertation, \$750 for M.S. thesis, and a new award established at \$500 for a Master’s level non-thesis paper.

Since 2018, awards amounts and categories were amended to the following three categories (1) \$1,500 for the best Dissertation, (2) for the \$1,500 for the best M.S. Thesis, and (3) \$1,500 for the best M.S. Case Study or M.S. Professional Research Paper or M.S. Case Study (for M.S. Students following a non-thesis program). (4) \$1,000 Undergraduate Student Research Paper.

In addition to cash stipends, recipients also receive complimentary annual membership to FDRS and are recognized at the FDRS Annual Conference. The Ph.D. recipient is also invited to present his/her dissertation research as the Keynote Speaker at the Richardson-Applebaum Awards Luncheon during the annual conference.

In May 2019, the Board unanimously approved the Doug and Anne Richardson Research and Engagement Award. This award is offered to those individuals who conduct research and author papers on topics unique to issues related to food distribution and marketing. Award applicants must be early career colleagues employed at 1890 and 1994 Universities, no more than 5 years beyond earning their terminal degree. Awardees receive a cash award of \$1,500, complimentary annual FDRS membership, complimentary conference registration fees, and recognition at the FDRS Annual Conference Awards Banquet. Award recipients will present their Research Report during the Concurrent Sessions offered during the Annual Conference

COMMUNICATIONS COMMITTEE

This committee is responsible for publications policy, publicity, and distribution via the FDRS website and social media channels. The Communications Committee is co-chaired by the Vice President for Communications and the President-Elect. Other members include the Journal Editorial Team, the VP for Membership, the VP for Government Relations, and the VP for

Industry Relations. This committee reviews the strengths and weaknesses of the FDRS journal, newsletter, and other Society publications, and makes recommendations to the Board.

CONFERENCE COMMITTEE

The Conference Committee is responsible for developing, promoting, and managing the annual FDRS conference, including site selection, overall theme, specific research and outreach topics, keynote speaker arrangements, student case study, awards presentations, and budgeting duties. The Conference Committee is chaired by the VP of Logistics and Outreach and populated by President-Elect as program chair, the VP of Student Programs, VP of Research, and the Secretary/Treasurer.

AUDIT COMMITTEE

The President appoints an audit committee or makes arrangements for a (in)formal audit of funds of the Society at his/her discretion and with direction from the Board. Such examination of financial records is encouraged when officers with direct financial responsibility end their terms of office, or at most every five years, as recommended by the FDRS Finance Committee.

SERVICE AWARDS COMMITTEE

The Service Awards Committee is the committee identifying the recipients of the Frank Panyko Distinguished Service Award and Patrick Byrne Emerging Leadership Award. This Committee is chaired by the President-Elect, plus the three most recent recipients of each award. The committee makes awards selections and provides support for all other aspects of the service awards program. The criteria for the awards are authorized by the Board of Directors. They communicate their final decision, to the President, President Elect, the VP of Communications, and the Secretary/Treasurer.

RESEARCH AND COMMUNICATION EXCELLENCE AWARD COMMITTEE

The Research and Communication Excellence Awards Committee is chaired by the Journal Editor(s). The Committee selects the recipient(s), who are recognized at the annual awards ceremony, from authors whose articles are published in the Journal between conferences. They communicate their final decision, to the President, President Elect, the VP of Communications, and the Secretary.

Membership is open to individuals and companies indicating an active interest in food distribution research and the food system in general. Non-participatory memberships are available for libraries. The following are classes of membership:

- **PROFESSIONAL MEMBER**

Professional Members work in government, academic settings or private enterprises in the field of food distribution.

- **STUDENT MEMBER**

A Student member is a full-time student at an accredited university.

- **LIFE MEMBER**

A Life Membership may be acquired for a fee established by the Executive Committee. It exempts the member from paying annual fees for the life of the member.

- **HONORARY MEMBER**

A membership may be bestowed by vote of the Executive Committee and will have no fees.

MEMBERSHIP FEES

Membership fees are established by the Board. Student members are charged less than professional members. Membership fees are paid on an annual basis.

GRANTS

The Society, which is a non-profit organization, may accept grants from industry, institutions, organizations, foundations, or the government to fulfill all or part of its objectives. In addition, the Society may provide services, such as assistance with problem definition, coordination, project management, data collection and analyses, and implementation of research results. The Society may be compensated according to an agreed upon fee structure. Such services would be managed by the Secretary/Treasurer, Vice President for Research, and other Executive Officers designated by the President in accordance with policy established by the Executive Committee and approved by the Board.

TERMINATIONS

Membership will be terminated for failure to pay fees within an appropriate time period as designated by the Board or may be terminated for any valid cause as determined. An Officer of the Society may be removed from office for failure to attend two consecutive meetings of the Board of Directors without an adequate excuse. The Board may declare the position held by such member as vacant. The President may fill the vacated position for the remaining portion of the term with concurrence of a majority of the board members.

ELECTIONS

1. The immediate Past-President leads a nominating committee of the three most recent past Presidents to select candidates to fill the respective offices as set forth in this Constitution. The Nominating Committee presents the selections to the Board of Directors at the fall Board meeting and to the members at the annual Business Meeting.

2. The election shall be held at the Business Meeting. At the regular election of officers and directors, no professional member can vote who is in arrears for fees, and it shall be the duty of the Vice President for Membership to advise, when requested, as to the standing of the members voting. Each member is entitled to one vote.
3. The Nominating Committee shall have entire charge of the annual election. It appoints the necessary election officials to certify to the Secretary/Treasurer the number of votes cast for each candidate.

AMENDMENTS

This constitution may be amended as follows:

The Board may recommend the adoption of a proposed amendment. A copy of the proposed amendment shall be provided to each Society member present at the annual meeting at least one day prior to the annual business meeting. The proposed amendment shall be voted upon at the annual business meeting.

A majority of the members present shall be required to pass on such proposed amendment, which shall be in full force and effect from the date of passage. A two-thirds vote is required to pass any amendments.

If a proposed amendment is not approved by the Board, such proposed amendment, if approved in writing by not less than 25 members of the Society, shall be submitted to the Society members and voted on as provided above.
